Moon Ship 1/96 Scale

First glue parts 6a and 6b into part 6. Then carefully cut out the red indicated areas on part 6. Glue part 13a, 14a and 15a in place. Cut out and fold parts 16,17 and 18. Glue part 16 on part 17. Use Cynacrylate Glue for a better strenght. Glue the stand arm into part 18. Glue the stand into part 6. Glue parts 5, 4, 3, 2 and 1 to part 6. Glue part 13 over 13a, part 14 over 14a and part 15 over part 15a.

Glue part 8 into part 7,
glue part 9 into part 8.

Cut a slot from here to here

repeat for other wing
and stand
